Residential on 3.40 Acres

RUXTON, Ruxton, MD

Nestled amidst nearly 3.5 enchanting acres, this picturesque Colonial Revival is simply captivating with its timeless, turn-of-the-century charm beginning at the stately wrap-around porch from which you can admire the stone gazebo upon the gently rolling hills encircled by lightly wooded grounds that create this perfectly private sanctuary. The interior features are equally impressive and emblematic of timeless workmanship showcasing the magnificent millwork, picture molding and gorgeous antique windows to the huge living and dining room pocket doors (with original cover panels in place) - a testament to meticulous preservation. The kitchen is a carefully curated masterpiece for the most discerning epicurean, boasting gorgeous white marble counters, a Wolf commercial gas range, custom-designed & hand-fabricated stainless steel and brass vent hood, SubZero 48" PRO series refrigerator, designer lighting, hand-cut marble shelves and more! Absolutely exquisite hand-crafted cabinetry by a Pennsylvania Amish woodworker elevates the walk-in pantry, mudroom and primary suite dressing room, transforming usually utilitarian spaces into rooms of both beauty and exceptional functionality. The second floor's elegant primary suite is a sun-filled retreat featuring a gorgeous dressing area, bright and spacious bedroom overlooking the bluestone patio and pool plus a luxurious marble bath. In addition, three additional generously-proportioned bedrooms, two

beautifully renovated baths and a convenient laundry room complete the layout. The fantastic third floor offers complete adaptability for your lifestyle preferences; with a large gathering area, two additional bedrooms, full bath and an impressive "seasonal closet," your options for customization are truly limitless. Celebrate the cooler autumn evenings with friends on the gorgeous bluestone patio! While a few ribeyes cook on the grill, share stories with your favorite beverage in front of the al fresco fireplace. Come next summer, your gatherings will include a refreshing swim in the inground pool. Guests park with ease in the expanded parking area, and your short walk from the detached garage always stays dry under the connecting lighted breezeway. The owner's visionary renovations have created more than just a house; it's a haven where every day feels like a fairy tale, a place of understated elegance where cherished memories are just waiting to be made.
